'Truth' Topic Of Christian Scientists

The First Church of Christ, Scientist, 218th St. at Manual ave., will hold Sunday morning services at 11 a.m.

The lesson-sermon on "Truth" to be read in all Christian Science churches Sunday, points out how the understanding of truth has been the desire of all mankind from early Bible times.

higher hope on earth, but it will be rejected and reviled until God prepares the soil for the seed." Again she says, "Truth has a healing effect, even when not fully understood."

So, if you wish an evening dental visit, just drop into the office or make an appointment by phoning me at FA. 8-0250.

These hours are open to everyone and my low fees remain the same. I feel it is my duty to the community to offer a dental health service at night and I believe mine is the only dental office open evenings regularly in the Torrance area.

Also open Saturdays from 10 A.M. to 6 P.M.

ATTEND THE CHURCH OF YOUR FAITH

I had occasion recently to be in our building department. I found there a veritable beehive of activity. One thing was conspicuous, and only one language was acknowledged: "Build," "erect," "construct," "improve," "repair," "remodel."

THE WALL (equals) — THE CHURCH

The plans for expansion in this ever growing community, would stagger the imagination of the most optimistic of persons.

the Son of God, Jesus Christ, speaks peace to the confused and frustrated heart. The place where the hungry find the "bread of life," where the thirsty drink of the "water of life freely."

Just as any individual or civic sponsored enterprise needs your cooperation, the Churches in your community are even more dependent upon your attendance.

THE CHURCH (equals) THE PEOPLE

You are the Church. I fear and tremble to think of the depths to which a city would sink if it were not for the restraining presence of our Churches.

Services for the Faith Christian Assembly are conducted in a temporary chapel on our property. We have plans to build our first unit in the immediate future.
